**Project Reference: IOPAS Optical Buoy Project**

Dear Piotr

With reference to the issues of Copyright, I am able to confirm the following:

1. Manuplas Limited authorises IOPAS to publish the buoy project on-line for the purpose of the public call for tender for buoy production and delivery without any dues license, copy and intellectual property right fee payable to Manuplas. Any third party that applies to IOPAS for this documentation is to be notified that the intellectual property could be used only for preparation of the commercial offer necessary for participation in the public call for tender.
2. Any third party that eventually will win call for tender is authorized by Manuplas Limited to manufacture 1 piece of the buoy according to the Manuplas design without any dues license, copy and intellectual property right fee payable to Manuplas.

With Kind Regards

Andrew Wickham
