THE MODIFICATION OF THE INQUIRY PROCEDURE NOTICE

Re. the inquiry procedure no. IO/ZO/9/2017 for delivery of mooring hardware for the Contracting Authority – the Institute of Oceanology, Polish Academy of Sciences in Sopot

The Contracting Authority - The Institute of Oceanology, Polish Academy of Sciences in Sopot, acting on the basis of chapter V point 9 of inquiry procedure notice dated on June 22, 2017, modifies the Appendix no.2 – agreement draft, by adding in the paragraph 1 the following point 3 and 4:

“3. The Contractor ensure that the Executive Agency for Small and Medium-sized Enterprises (EASME), the European Court of Auditors (ECA) and the European Anti-Fraud Office (OLAF) have the right to carry out checks, reviews, audits and investigations on the Contractor concerning the financing of the agreement.

4. The Contractor ensure that the Executive Agency for Small and Medium-sized Enterprises (EASME) Agency has the right to make an evaluation of the impact of the action INTAROS concerning to this agreement”.

The above modification has been shown on the replaced appendix no.2 – agreement draft. The deadline for submission of tenders remains unchanged.
