

Instytut Oceanologii Polskiej Akademii Nauk announces an open-call for

an expert in food-web modelling

in the project DAIMON 2: Decision Aid for Marine Munitions - Practical Application, co-financed from the Baltic Sea Region Programme 2014-2020

Place of work: Sopot

Duration: April – December 2020

Type of employment: contract

Task description:

The successful candidate will join an international and interdisciplinary group of researchers developing an integrated Decision Support System regarding the proceeding with sea-dumped chemical and conventional ammunition within the DAIMON2 project. The task will be focused on:

- Advice, consultations and further development of already existing food-web model, considering regional division and multiple scenarios of contaminants propagation;
- Assistance in creation of a library of simulations, based on food web model developed within the DAIMON project, that could be assigned to different DSS areas.

The successful candidate is expected to demonstrate an experience and work on the following issues:

- PhD degree in the field of oceanography or related discipline;
- extensive knowledge on the ecology of marine organisms with a special focus on food-web modelling and ecosystem assessment supported with a strong publication record;
- experience in work in an interdisciplinary team, to solve scientific problems and to face new challenges;
- experience in communicating scientific results with stakeholders and general public will be an additional advantage;
- excellent verbal and writing skills in English are required.

Application:

CV including publication record and motivation letter should be sent via post to the following address:

Antonina Czapska

Instytut Oceanologii PAN

ul. Powstańców Warszawy 55, 81-712 Sopot

or via e-mail to: czapska@iopan.gda.pl

until 31.03.2020.
