

# Arctic as a territory of the Russian-Poland dialogue

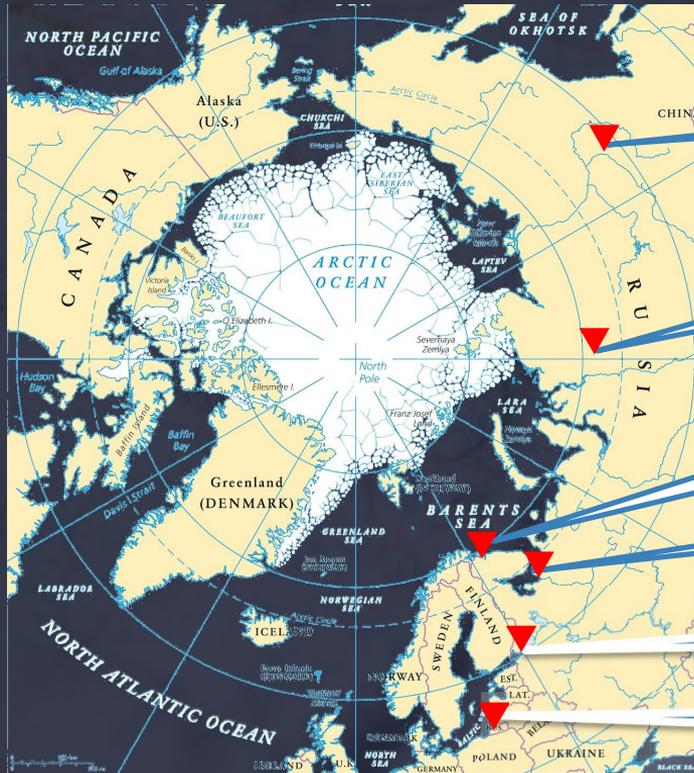

**Alexander  
FEDOTOVSKIKH**

Member of the Presidium of the Coordination Council for the  
Development of the Northern Territories and the Arctic of the  
Russian Union of Industrialists and Entrepreneurs, PhD, prof. RANH

# ATTENTION!

This presentation are not official positions of Russian Federation and is based on the author`s opinion and the results of a opinion poll of Russian experts on international cooperation in the Arctic: leaders of NGO, entrepreneurs, scientists

# Russia and Poland in the Arctic

Annual international seminar  
"The Arctic in the context of global  
challenges of the XXI century",  
St. Petersburg, June 2016

## MAIN PROBLEMS:

1. Political relations between states.
2. Revision of views on the historical ties of Russia and Poland in both countries.

## KEY FEATURES:

1. Lack of systemic interdisciplinary projects.
2. Lack of state cooperation programs in the Arctic.

**RESULT: geopolitics should not interfere in trade, economic, cultural, scientific and educational ties between the two countries**

# Areas of cooperation

ARCTIC COUNCIL

**Russia in the years 2021-2023  
will lead the Arctic Council**

- 1. Scientific research**
- 2. Trade and economic relations**
- 3. Public diplomacy**

# Scientific research

## **Ecology, climate and environmental management:**

- Modeling the economic consequences of warming in the Arctic.
- Solving problems of restoration of aquaculture in the seas of the Arctic Ocean.
- Integrated management of marine spaces in the Arctic.
- Regulation of marine activities in the waters of the Arctic Ocean beyond national jurisdictions.
- The development of artificial intelligence and robotics for research and development of the Arctic.

## **Historical heritage:**

- Joint development of Siberia and the North of Russia of the XIX-XX centuries.
- Historiography of Polish scientists in Siberia in the North.

photo  
<https://nordroden.livejournal.com/>

## Trade and economic relations

- Cargo transit through the Northern Sea Route as a transport artery between Asia and Europe.
- High-tech transfers from the European Union to Russia and back (excluding sanctions lists).
- The participation of Poland in the development of the Arctic cruise tourism.
- Investment by Polish companies in the development of megaprojects in the Arctic.

Russia is positive to expansion of presence of the Polish businessmen and to attraction of the Polish investments

# Public diplomacy

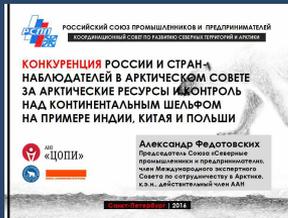

- The creation of the Russian-Polish non-governmental working group on the Arctic.
- Organization of exhibitions, presentations, exchange programs, joint academic scientific and educational symposia, the implementation of youth projects.
- Participation in projects of the Arctic Council, the Arctic Economic Council.
- Popularization of practical experience of Russia and Poland in the field of science, education, business in the Arctic.
- Cooperation between scientific, environmental, entrepreneurial NGOs.

Development of public diplomacy for cooperation in the Arctic

# International Workshop «Russia and Poland in the Arctic»

- Date: II half of 2019
- Location: Kaliningrad or Warsaw.
- Photo exhibition.
  - Three sessions: "Science, education, climate, ecology"; "Economy, business, investment"; "History, culture, public diplomacy".
- Social significance: strengthening the status of Russia and Poland in the Arctic; development of scientific and economic cooperation; increasing the attention of the Polish and Russian public to the achievements of Poland and Russia in the Arctic.
